Impression to the teacher

Maybe sir, because we haven't met you yet, in my opinion, you prefer to have a good time joking around and of course, have a good conversation with us, that's all I know about you, sir.

This year, I want to learn more about

1 This year, I want to focus on learning more about object-oriented programming (OOP) and the different ways of programming. As OOP is a key concept in Java programming,

2 I want to focus on the key concepts of OOP, which include classes, objects, inheritance, and encapsulation. I believe that by learning these key concepts of OOP, I will be able to enhance my problem-solving skills.
